Solano Section Births-City of Vallejo, California 1890-1900

This is the final part of a two part computerized index for the City of Vallejo births for years 1890-1900. The first part of this index was in the 1997 November issue of the *Root Digger*.

Again, thanks go to **Ruth Setterquist** for making this list possible. Ruth did the "tedious" work of extracting the data from film # 1295778, which is located at the Solano County Genealogical Library in Vacaville.

The Solano County Records Office in Fairfield has the original birth records for this index.

Below is a copy of "Certificate of Birth" that was taken from the film. The name is LeRoy James Morgan. Notice the name of the Physician or Midwife, "Grandmother Morgan."
