SOLANO SECTION

St. Gertrude's Academy in Rio Vista 1876-1930

Solano County Genealogy Society's Library is proud to list among its holdings, the Roster of the Alumni Association of St. Gertrude's Academy. The Academy was an educational institution in Rio Vista from 1876-1931. The original copy of the roster of the association was found at the Rio Vista Public Library. Volunteers from the society copied the volume with the Public Library's permission in about 1989. The Rio Vista Library burned several years after the copy was made making the Alumni Roster a possible one-of-a-kind copy.

Historical Notes

St. Gertrude's was founded as an academic boarding school for girls in Rio Vista as a direct result of the donation from one of Rio Vista's earliest pioneers, Mr. Joseph Bruning. Bruning became a large landholder near Rio Vista as well as being half owner of a laundry business and a partner in a large lumber company. Bruning was also the father of three daughters and had donated land in 1862 for Rio Vista's first public school. In order to give the kind of education he wanted for his daughters, he then donated the land and finances for the establishment of a Catholic School. The school was named St. Gertrude's after Mrs. Elizabeth Gertrude Bruning, Joseph's wife.

The usual school curriculum was taught as well as Catholic religious instruction and the important cultural subjects such as piano, instrumental music, painting, choir, chorus, creative writing, and fine needlework. Soon students came from the Mother Lode country; from the affluent farmers from Williams, Chico, Red Bluff; as well as merchants from San Francisco and Sacramento who all sent their daughters to the new Sisters of Mercy School in the small delta town. It should be remembered that St. Gertrude's Academy also educated males. The statement of attendance from 1878 roster lists the following:

Pupils in Young Ladies Academy	40
Pupils in Boys' Department	40
Pupils in Primary Department	35
Total attendance	115

In 1878, there were 26 boarding pupils and several applications have been made for the next session, January of 1879.

St. Gertrude's Alumni Association and the Index

The St. Gertrude's Alumni Association was founded in 1925 by Sister M. Ursula at a gathering of former pupils of the Academy. It was created to perpetuate the friendships between the boarder, day students, and teachers of St. Gertrude's. The Roster was created during the years 1948-1949 by former pupils through personal exchange of letters, personal interviews, phone interviews, or interview of close relatives of those who attended the Academy. The roster is in sections, with additional data being added as more data was available. Another index was prepared listing the staff of St. Gertrude's Academy as well as the working officers and committee members of the Alumni Association.
