DADE COUNTY DIVORCE RECORDS INDEX

Approximately 4 years ago, members of our Society extracted genealogical information from the original Dade CO., Divorce Court files before those files were destroyed. The records were mostly from the 1930's. Many of the records contain such genealogical gems as the wife's maiden name, date and place of marriage, children's names and ages, addresses and witnesses (often a relative). With this issue of the *Heritage*, we will begin publishing the index. For a printout of a particular file, please send \$5 and a SASE to: GSGM, PO Box 162905, Miami, FL 33116-2905
