**NOTHING TO DO WITH GENEALOGY - BUT IT'S A HOOT!  
(or I need to fill space)**

**A San Diego patrolman pulled over a driver and informed him that because he was wearing his seat belt , he had just won \$5,000 in a safety competition.**

**“What are you going to do with the prize money?” the officer asked. The man responded, “I guess I’ll go to driving school and get my license.”**

**At that moment, his wife, who was seated next to him, chimed in, “Officer, don’t listen to him. He’s a smart aleck when he’s drunk.”**

**This woke up the guy in the back seat, who, when he saw the cop, blurted out, “I knew we wouldn’t get far in this stolen car.”**

**At that moment there was a knock from the trunk, and a voice asked, “Are we over the border yet?”**
