1850 Georgia Mortality Schedules

1850 GEORGIA MORTALITY CENSUS SCHEDULES

- Compiled by Aurora C. Shaw from Roll 7, Microcopy No. T-655, Federal Mortality Census Schedules 1850-80, and Related Indexes in the custody of The Daughters of the American Revolution. Counties of Appling to (and including) Wilkinson. A census of persons dying during the year ending 1 June 1850 and 30 June 1850.

- Note that the enumerator at the end of the county mortality census provides information on the malady that is prevalent in the district, the condition of the water, and of the soil, whether containing lime, mineral or ores; weather conditions.

APPLING COUNTY

| Line No. | Name | Age | Sex | Md./ Wid. | Where Born | Month Died | Trade Occ. | Disease Name | Days Ill |

End of Baker County. Note that some of the names are duplicated in this census enumeration on the original.

To be continued: This series will be continued until all of the 1850 Georgia whites listed in the mortality census have been published, and we plan to have a longer series in Issue No. 39, Fall 1966.

1830 GEORGIA MORTALITY CENSUS SCHEDULES

- Compiled by Aurora C. Shaw from Roll 7, Microcopy No. T-655, Federal Mortality Census Schedules 1850-80, and Related Indexes In the Custody of The Daughters of the American Revolution. Counties of Appling to (and including) Wilkinson. A census of persons dying during the year ending 1 June 1850 and 30 June 1850.

- APPLING and BAKER Counties were published in the Summer Issue #38, 1966. CONTINUED:
