

## Death of a Stately Woman (con't)

commendable pride has precluded her from letting her wants be known, even to her closest relatives and friends. She has no relatives nearer than neices and nephews. Beside Mrs Jennie Marrett are the Chamberlains in Michigan, the Rec[ar]s in New York and Mrs. Sarah Forgy of Paynesville Mo., who was here for a visit during her last illness. John E. Ball is a great nephew.

A year ago she was baptized and received into the Christian church of this city. The funeral service will be held today and the interment will be in the family lot at Mt. Sterling beside the body of her mother and brother.
