BOND COUNTY
GREENVILLE CITY

Following the name of the man will be the maiden name of his wife. Where there are more than one wives, the name of the first wife will be immediately following the name of the man, the secondwife next, etc. No attempt has been made to give an account of any of these families - this is merely a list of some of the residents of the cities, townships and precincts in the county in 1880-1882. No wife was named in some cases.
