County Old Timers

The South Bend Tribune, Saturday, August 8, 1903,
page 10:

THEY HOLD RECORD

BIG LIST OF OLD PEOPLE
IN ST. JOSEPH COUNTY

MANY VENERABLE PERSONS

**Oldest person in St. Joseph county
- Joseph Hush, aged 110 years.**

**Person who has lived in St. Joseph
county the longest
- Mrs. John Hooper, a resident of
county 76 years.**

This seems to be the correct result of The Tribune's investigation to discover the oldest person living in St. Joseph county and the person who has been a resident of the county the longest. Mr. Hush claims to have been born Sept. 15, 1793, and will be 110 years old next month. Mrs. Hooper, who will be 77 years old in October, came here when only 14 months of age. If the records held by these two can be broken The Tribune desires the facts, and the names of the persons claiming the record.

In its efforts The Tribune has discovered 112 persons in the county who were born in 1829 or before. This does not include all of the county residents born in the years indicated but it is probably a large per cent of them.

(Note by the *Quarterly* editor, only the people who were not in the list published in the July 2005 issue of the *Quarterly* are printed here.)

St. Joseph County Old Timers—1903

In July and August of 1903, *The South Bend Tribune* attempted to discover the oldest person living in St. Joseph County, and also the person who had lived in the county the longest. Several lists were published in consecutive weeks listing those who had responded to the Tribune's request for information on people living in the county who were born prior to 1830. In the July *Quarterly*, we reprinted the article from July 25, 1903. Following are excerpts from the August 1 and August 8, 1903 papers. Street, county, township, and sr. were not capitalized in the *Tribune* article, so they have not been capitalized in this reprint. All place names are spelled as they were in the original article.

The South Bend Tribune, Saturday, August 1, 1903, page 12:

LIVED OVER CENTURY

JOSEPH HUSH ONE HUNDRED
AND TEN YEARS OLD

HE WALKED MANY MILES

Takes Record From Robert G. Cissne as
Most Aged Person in the County
Mrs. John Hooper Came Here in 1827

The record of being the oldest person living in St. Joseph county is no longer held by Robert G. Cissne, of German township. He is beaten by one who was about 18 years old when Mr. Cissne was born. Joseph Hush claims the record and it will be difficult to disprove his claim.

Mr. Hush will be 110 years of age on Sept. 15, if he lives. The provision seems quite unnecessary for about a month ago he walked to New Carlisle, 18 miles from the county farm, where he lives. Mr. Hush was born in New Jersey, Sept. 15, 1793. Half a century ago he moved to Terre Coupee, this county, and in May 1899, he went to the county farm to spend the rest of his days.

This venerable man still retains much of the vigor of earlier years, as his walk to New Carlisle

proves. In fact, many will claim it shows quite conclusively that Mr. Hush is mistaken in his dates and is not as old as he says, but it is doubtful if his claim can be disproved. He appears in good health for one of his years. Some time ago he suffered an attack of the grip which left him with a cough and this gives him some trouble.

The Tribune's effort to locate old people in the county has brought to light nearly 100 who were born in 1829 or earlier.

Here Seventy-Six Years

Mrs. John Hooper, of 326 West Colfax avenue, has lived in the county for 76 years. The record last week was held by Mrs. Lydia A. Lane, of 326 West Jefferson street, who has been a resident of the county for 73 years, but Mrs. Hooper was in the county about the time Mrs. Lane was born. It is believed Mrs. Hooper's record of long residence here cannot be beaten.

If there are any persons now residents of St. Joseph county who were born before Joseph Hush or who came here before Mrs. Hooper The Tribune desires their names. Persons living in the county who were born in 1829 or earlier are also requested to send The Tribune their residence, day, month and year of birth, date they came to this county and their names on a postal card or otherwise.

Those persons who rake leaves from their lawns and burn them make a grave mistake. Leaves should be permitted to remain on the sod, as nature intended they should. There, aided by the rain and snow of winter, they will decay and enrich the soil. Thus the grass will be given renewed vigor and luxuriance.

DEATH RECORD

Hannah Row, nee **Knepp**, was born in Holmes county, Ohio, December 16, 1838. On June 30, 1861, she was married to **Jacob Row**. The following year she accompanied her husband to make her home in northern Indiana. This union was blest with six children, one of whom preceded the mother into eternity. In the evening of her life she was a great sufferer but she endured all her afflictions with Christian patience. She peacefully fell asleep, saved in the faith in her blessed Savior, on October 20, 1899. Her pilgrimage lasted 60 years, 10 months and 12 days. She leaves to survive her the husband with whom she shared over 38 years of the joys and sorrows of life, five children and six grandchildren and numerous relatives and friends. "Blessed are they which die in the Lord from henceforth. Yea, saith the Spirit, that they may rest from their labors and their works do follow them." —Rev. 14:13. The funeral took place Tuesday morning at Tabor church, Liberty township, Revs. Early, Slusser and Peter officiating. The mortal remains were laid in Porter cemetery. The funeral was largely attended.

"The Bremen Enquirer", May 12, 1910, page 1

Peter Slough, one of the best known farmers in the southern part of St. Joseph county, died at his farm home in Union township, nine miles north west of Bremen, Monday afternoon of a complication of diseases following an illness of several months.

Mr. Slough was an old soldier, having served in Co. A, thirty-fifth infantry, and a year or two ago was commander of Hartzog G. A. R. post of this city. He would have been seventy-one years old May 31, and has lived in St. Joseph county for sixty years. The funeral was held today at his residence, interment being in the Union cemetery.

The Tribune continues to discover old people in St. Joseph county and its list of those born in 1829 and earlier grows.

Last week's list is increased to-day by the names of some who are well along in years, but it is believed it is not yet complete. Robert G. Cissne of German township, continues to lead the list and it begins to look as though he is the oldest white man residing in the county. William Harlin, sr., who last week followed Mr. Cissne, will be a young man unless older people stop coming to the front. Mr. Harlin occupied second place, but to-day is down to sixth. Four persons older than he have been found and second place to-day goes to Mrs. Nelson Ferris, of Mishawaka, who was born in 1812.

She is followed by Mrs. King, of South Bend, and William Diltz of Penn township, who were also born in 1812 and by John McMichael, of South Bend, who was born in 1813. Almond Bugbee, who was third in the original list, is far down the line. The revised list is as follows:

Lived Here Many Years.

Mrs. Lydia A. Lane now holds the record for having lived in St. Joseph county the longest. For 73 years she has resided here, having moved from Ohio when only three years old. It is doubtful if this record can be broken.

It will be observed that of all those in the long list not one is a native of this section. Most of them were born in the east and south. The Tribune will continue its efforts to discover the oldest person in the county and the one who has lived in the county the longest. Persons in this county who were born in 1829 or earlier are requested to send The Tribune their residence, day, month and year of birth, date they came to this county and their names.

Prisoner Records of Saint Joseph County, Indiana - 1890's

by Irv Morse

This index was created from an original book located in our office at the Mishawaka-Penn Public Library. Irv Morse reports that the Society has filmed the book, however the copies of the film are not in the hands of the libraries yet (those copies should be available in the next couple of months).

The original records give age, residence, nationality, some have a description of the person (color eyes, complexion, height, weight, unusual markings (tattoo), crime, fine or punishment, arresting officer/s).

This index contains the following information: Surname, Given Name, Age, Nationality, Year, Page Number, Place of Residence. (*Continued from Vol. 24, Issue 4*)

Prisoner Records of Saint Joseph County, Indiana - 1890's

by Irv Morse

This index was created from an original book located in our office at the Mishawaka-Penn Public Library. Irv Morse reports that the Society has filmed the book, however the copies of the film are not in the hands of the libraries yet (those copies should be available in the next couple of months).

The original records give age, residence, nationality, some have a description of the person (color eyes, complexion, height, weight, unusual markings (tattoo), crime, fine or punishment, arresting officer/s).

This index contains the following information: Surname, Given Name, Age, Nationality, Year, Page Number, Place of Residence. This is the conclusion of this list (*Continued from Vol. 25, Issue 4*).

Record of Graduates from the Public Schools of St. Joseph County, Indiana—1872-1897

Transcribed by John Harper for the South Bend Area Genealogical Society, 2005.

Within the last 10 years, SBAGS volunteers have microfilmed a collection of over 100 school record books, producing 70 microfilm rolls. Most of the books covered the years 1900-1920 with a few before and after this time frame. One of these books is titled "Record of Graduates St. Joseph County". It is a 9" x14" leather bound book. There is no manufacturer's information printed anywhere in the book.

A complete student record is recorded on a row that spans 4 pages in the book. The first page is a full sheet on the left side of the open face book. These pages have an odd number in the upper left corner. The second page is the "front" side of a page that has been cut vertically from top to bottom at about the center of the sheet. This sheet has no page numbers. These first two pages are considered the "odd" page of a student record. "Record of Graduates from the Public Schools of" is the title line of the left side odd page and "St. Joseph County, Indiana" is the title line of the right side odd page. Column titles on the left side odd numbered pages are the following: "No.", "NAMES OF GRADUATES.", "Age.", "Class of.", "Dist. No.", "CORPORATION.", and "TEACHER.". Right side odd numbered pages have column titles of "TRUSTEE." and "SUPERINTENDENT.".

The third page of a student record is the "back" side of the cut sheet of paper. It is on the left side of the open face book and has no page number. The fourth page is a full sheet of paper on the right side of the open face book. These pages have an even number in the upper right corner. The third and fourth pages are considered the "even" page of a student record. "Chronology" is the title line of the left side even page and "of Graduates" is the title line of the right side even page. Because the left side page is a half sheet of paper, the name of the graduate from the first page of the record can be seen while viewing the even pages. There are no columns on the even numbered pages.

In the digital transcription, the odd and even numbered pages of each student are combined into one line with "Chronology of Graduates" at the end of the line. The "Age" column is not included in the digital format because it was only used in the year 1891 for all of the Township schools and the city of Walkerton, but not the cities of South Bend and Mishawaka. For that year the age of all graduates was put into the "Chronology of Graduates" column, since it was not used in that year.

The column "Chronology of Graduates" was only utilized for the cities of South Bend, Mishawaka and Walkerton from 1872 through 1891. Not all students of these cities and during this time period had anything written in this column. Township school graduates never had an entry in this column and entries for all graduates in this column ceased from 1892 to the end of the book in 1897.

The "Corporation" column listed the St. Joseph County school corporation of each student. These included the cities of South Bend, Mishawaka, North Liberty, and Walkerton and the townships of Centre, Clay, German, Greene, Harris, Liberty, Lincoln, Madison, Olive, Portage, Union, and Warren.

In the "Class of" column, the years were always contracted as in '72. In the digital transcription the year was always listed in full for clarity, as 1872.

Many columns in the original book used ditto marks for each word in the column above. For example, The Trustee name, "Joseph R. Ullery", would have 3 ditto marks under his full name. The digital transcription will only have one ditto mark under his full name for ease of reading.

Graduates of Public Schools

Entries were handwritten in ink and it appears to be written by the same person in the same pen and ink from 1872 through 1891. Another person appears to have written most, if not all of the rest of the entries at different times from 1892 through 1897.

Microfilm copies of this book can be viewed at the Mishawaka-Penn-Harris Public Library in Mishawaka and at the St. Joseph County Public Library in South Bend.

The left and right sides of an "odd" page:

IN
St Joseph

"When we arrived at the place now called Denver, just after we had escaped a buffalo stampede, we found but a couple of tents and proceeded directly to our goal, which was afterwards named Golden. Log cabins were quickly constructed and the digging for gold begun.

"Since then I have made 60 trips across the plains, but of course most of the time by train. I have seen hundreds and thousands of eastern people

come west to prospect and the greater majority have gone back almost penniless and discouraged. Very few were ever made really wealthy by mining."

Mrs. Veasey was a woman of high ideals and of genuine Christian character. Although of a somewhat retiring disposition she had been so long a pioneer of South Bend that she was very well known and had many devoted friends.

ORANGE COUNTY CALIFORNIA
GENEALOGICAL SOCIETY

that he is able to boast to-day that he never had a law suit in his life nor did he ever appear as a witness in court. Mr. Birner owned what is now known as McInerney & Summers' addition, which he sold two years ago. He also owned Witherell's addition on Michigan avenue.

Mr. Birner has always been independent in politics. He has lived during the lifetime of every president of the United States, except Washington and John Adams. Thomas Jefferson died on July 4, 1826, when Mr. Birner was five years old.

For many years Mr. Birner was in the employ of

the Muessel Brewing company, but he is now spending the evening of life in well-earned retirement. His wife passed away seven years ago, but three of their five children survive to comfort him in his old age. They are Miss M. R. Birner, who lives with her father; Mrs. Isaac Calvert, of 1215 West Washington street, and Mrs. George J. Leach of 233 Laporte avenue. He also has one grandchild, Miss Gertrude Birner.

Mr. Birner is still enjoying good health, both mental and physical, and is in many ways a remarkable man.
