## UP-COMING MEETINGS

The March meeting will be held in the conference room of the Wartburg Library. The program will be a video on German researching. As always we will have some time for sharing, questions, etc. Invite a friend and come join us.

Details of the program for April have not been finalized at the time this is written. Watch the Waverly paper for further details.

I receive quite a few letters inquiring about families that at one time lived in the Bremer County area. Usually I answer simple questions and/or supply information on sources they might check. When I remember, I try to take any letters wanting further research to the meetings. Some of the surnames mentioned in recent letters are:

GUINEY	O'CONNELL	SULLIVAN	HOERMAN
LINOW	BEMIS	PERKINS	COOPER
BOYD	TAITE	LADD	WATERMAN

If you have an interest in any of these names, let me know and I will give you the address of the person who wrote.
