Note:

.....

Fairmount, Iowa is the name of a station on the Keokuk & Des Moines RR, situated about midway between Monroe and Prairie City, and situated in the the Western part of Fairview Township. A beautifully situated town on the level plateau of prairie separating the Des Moines and Skunk rivers, and the timber skirting either stream can be distinctly seen from the town. See page 506 of 1878 History of Jasper County, Iowa.
