Guthrie County Farmers 1892

These names of farmers come from *Farmers of Iowa: A List of Farmers of Each County With Postoffice*, a Xerox copy of a book at the Iowa Genealogical Society library. The date of 1892 is in pencil on the title page. The book is also a Xerox copy and is not the best copy. In some cases letters were guessed at as there wasn't enough of the letter to clearly indicate what it was. The original source for the book is not indicated. These farmers lived in Guthrie county but may have had a non-Guthrie county postal address.

Guthrie County Farmers 1892

These names of farmers come from Farmers of Iowa: A List of Farmers of Each County With Postoffice, a book at the Iowa Genealogical Society library. The date of 1892 is in pencil on the title page. The book is a photocopy and is not the best copy. In some cases letters were guessed at as there wasn't enough of the letter to clearly indicate what it was. The original source for the book is not indicated. These farmers lived in Guthrie county but may have had a non-Guthrie county postal address.
