WOODBURY TOWNSHIP CEMETERY, SERGEANT BLUFF, IOWA

This cemetery is located directly behind the brick yards in Sergeant Bluff, IA. Access is gained through the brick yards.

Inscriptions from the stones were recorded by Anna Belle Lamb and Glenna Ferrone, members of the Woodbury County Genealogical Society in the fall of 1990 and compiled in the spring of 1991. Records computerized and indexed by F.D. & M.J. Leedom.

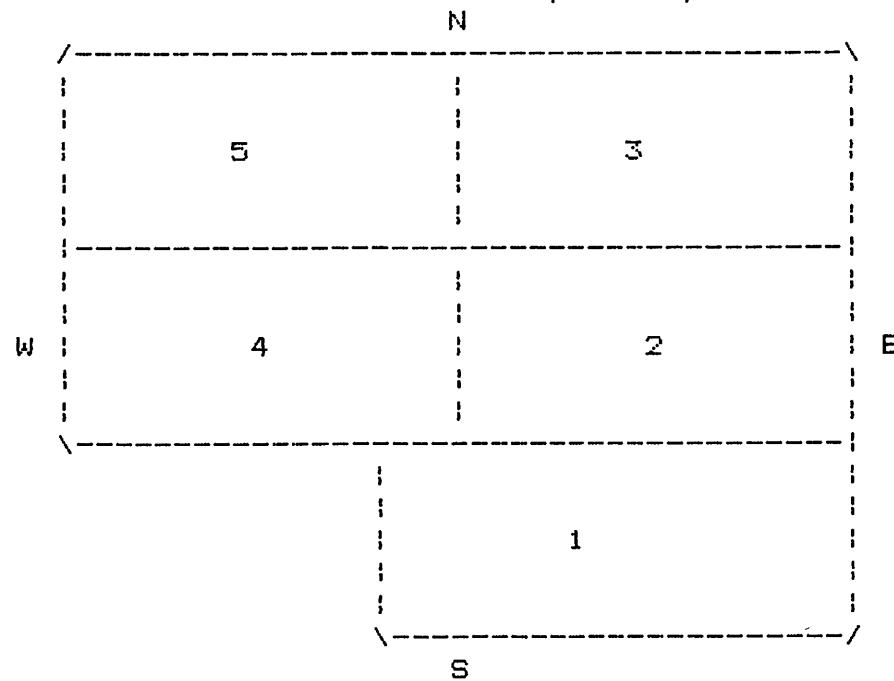

This information was found in the cemetery, deeds book, WPA records, courthouse records, and by word-of-mouth of relatives and friends. Thanks also goes to members of the Senior Citizen's group who gave us information.

The parenthesis indicated that information was not on the stone but was gleaned from elsewhere.

We started at the northwest part of each section and proceeded south. We then went back to the north and proceeded south on row two and each succeeding row until we came to the end of each section. Each section and row is numbered in this book to make it easier to find the individual graves.

Rows 1 starts at Northwest corner of section and continue to south edge.

Rows 2 starts at second stone from West edge of section at the north edge. Additional rows follow the saather, wmmme pattern.
