

RECORD OF MARRIAGE LICENSES

Issued by the Probate Judge in and for the County of Cloud and State of Kansas

Compiled By

Janneyne L. Gnacinski

1975

This Bicentennial Edition of our Special Sections is being published for the specific purpose of preserving the data included in the earliest book of Marriage Licenses recorded at the Cloud County, Kansas Court House.

The record book is old and worn, with few of its pages intact. Because of the fragile condition of this valuable marriage register, and the fact that it probably will no longer be available to the general public for personal research, it is being reproduced in this text verbatim.

All data has been copied exactly as it appears on the original pages, with no changes in spelling, punctuation, etc. The compiler has added the surnames of the groom and bride on the left side of each page for the convenience of the researcher.
