INDEX TO MICHIGAN GENEALOGICAL RECORDS

AVAILABLE IN THE

GRAND RAPIDS PUBLIC LIBRARY

This index is not a complete index of records in the Michigan Room of the Grand Rapids Public Library. It is a listing of the type of records that would aid in genealogical research.

Included are the vital records, cemetery records, early land owners, atlases, Dutch emigration records, military records, and census records.

The three headings are -

- 1) PLACE - In most cases the record will be under the county names which are in alphabetical order. There are exceptions such as Dutch and Military.
- 2) DESCRIPTION - This is the title or description of the material.
- 3) BOOK/FILM - The books are listed by card catalogue number. Those on the history of Grand Rapids and Kent County are usually at the librarians desks. Many of the census indexes no longer have a card catalogue number and are in alphabetical order in the shelves containing census indexes.

The films are located in the microfilm reading room except for the Grand Rapids City Directories on film which are located next to the librarians desks.

Wedding Anniversary Announcements in the Grand Rapids Shopping News - 1935 Part II

Submitted by Sue Irvine, Indexed by Evelyn Ehlers

Many genealogists have used the Muriel Link Obituary File at the Grand Rapids Public Library. In addition to cutting out and pasting death notices on cards, Muriel also created a list of wedding anniversaries which were published during the Fall of 1935 in the *Grand Rapids Shopping News*. The great majority of these anniversaries celebrated marriages of fifty years. A few noted those of 25 years. Since it is more difficult to locate a wife's maiden name, *Michigana* is printing the women's surnames in alphabetical order. As well as the date, the place of marriage is also important when tracking down migrating ancestors.

Many genealogists have used the Muriel Link Obituary File at the Grand Rapids Public Library. In addition to cutting out and pasting death notices on cards, Muriel also created a list of wedding anniversaries which were published during the Fall of 1935 in the *Grand Rapids Shopping News*. The great majority of these anniversaries celebrated marriages of fifty years. A few noted those of 25 years. Since it is more difficult to locate a wife's maiden name, *Michigana* is printing the women's surnames in alphabetical order. As well as the date, the place of marriage is also important when tracking down migrating ancestors.

es. A sofa pillow in the show window of Jacobsen's dry goods store is a specimen of her needlework.

The Fire Department had a busy time Saturday night from half an hour after midnight until 4 o'clock Sunday morning. Martin L. Cole, a boy degenerate about ten years of age, started fires in south Greenville near the railroad crossing on Fairplain avenue, which invoiced a loss of \$200 to George Crane and \$300 to Isaac Bracey, besides other losses not estimated. First Stephen Taylor was awakened by a crackling noise in his woodshed. He extinguished the fire just started. Not long after, his chickens made much noise and he went out again and found an outhouse and chicken house and George Crane's barn just south all blazing. He then ran to the electric light works and turned in an alarm. The fire department responded promptly and soon had the fire under control, saving the Crane house although the north side of the building was burning. As the firemen were preparing to return to the hose house, a blaze was seen to burst forth from Isaac Bracey's barn south on the river road. This fire was mastered when it was called out that Bert Eastman's house was burning. This fire was put out and the firemen returned after their long and arduous labor. Dr. Howorth was crossing the railroad track east when he saw a boy coming from the direction of the fire. He communicated suspicions he had that the boy knew the origin of the fires. The boy was arrested, and interrogated when he confessed to starting the fires and also that he had put a stone in a frog on the Wright switch to derail a train. He has a reputation of endangering life and property. About two weeks ago he came with his parents from Howard City where he had been doing harm. The *Banner* says his parents formerly lived in Belding and that the boy is a tough one and also slightly demented.

Obituary

Elias Poulsen was born September 10, 1823, in Denmark. He came to the United States on the 25th day of May, 1867, and three weeks after moved to the farm 2 1/2 miles north of Gowen where he lived until his death. He died Thursday, Sept. 10, 1903, aged 79 yrs., 11 mos., 21 days.

He leaves four daughters and many grandchildren to mourn his death. When he settled, in what is now known as the Big Dane Settlement, the country was covered with dense pine forests with a few log cabins and clearings here and there. The task of getting a home was hard, and only by thrift and sacrifice was it that he and many others like him succeeded. The

funeral, largely attended, was Sunday afternoon at the Poulsen home.

Carrie Nation spoke at the Ionia fair last week and Alexander Cooper, who heard her, says he was most agreeably surprised by what he heard and saw. He was strongly prejudiced against her by newspaper reports which represented her as unwomanly and ungainly and fanatical. He says such representations are gross caricatures as she is a woman much to be admired for her sound, logical temperance talks and womanly manners. Her address had a telling effect against intemperance and alcoholism.

History of the Evangelical Lutheran Immanuel Parish

Part ii

DOCS REFERENCE ONLY

Translated by Lisa Christensen

In Grand Rapids, one of the earliest ethnic churches was the Evangelical Lutheran Immanuel Parish which ministered to those of German descent.

It was established in June of 1856. In honor of the parish's celebration of its 50th Jubilee, the church published its history to that point. Recently, in 2001, it published a book on the occasion of its 145th Anniversary. Very early church histories printed before 1850 provided only a few pictures of the congregation. Those created after 1880 often included individual photographs of prominent members or clergy.

Immanuel Lutheran Church is located on Michigan Avenue near the corner of Division Street, just south of the I-96 freeway. After 145 years it is still a thriving congregation.

All photographs are from the *History of the German Evangelical Lutheran Immanuel Parish U. A. C. in Grand Rapids, Michigan* In honor of the parish's celebration of our 50th Jubilee on the 27th of May 1906 published by the Jubilee Committee Grand Rapids, Mich. printed by Martin & Wuerzburg 1906

Recipe

for Family History

Combine

- 1 c. Memories
- 2 t. The Smell of Baking Bread
- 3 t. Chocolate
- 3/4 c. Sugar
- 1/2 c. Vinegar
- 1/4 c. salt

This is our best recipe for fudge; vanilla or chocolate, nuts or no nuts. It is from our Great Aunt Dorothy Rasch Glick, who graced this earth for just over 100 years. We attribute her good health and long life to her wonderful disposition, desire for adventure and eating well. She always told us to eat a daily sweet at the end of a meal. When she came to visit in Michigan, she made us this, "Red Cross Fudge".

Aunt Dorothy taught elementary school on the island of Maui. She later became a principal. She and her husband, George Glick, moved to San Diego, where she was a principal until they retired and traveled the world on cruises. Whenever I make it, I think of the wonderful visits we had with Aunt Dorothy, our grandfather, Robert Rasch's sister. One year, when I entered this fudge in the Berlin Fair, in Marne, Michigan, I won, "Best of Fair," and went on to the state competition.

Red Cross Fudge

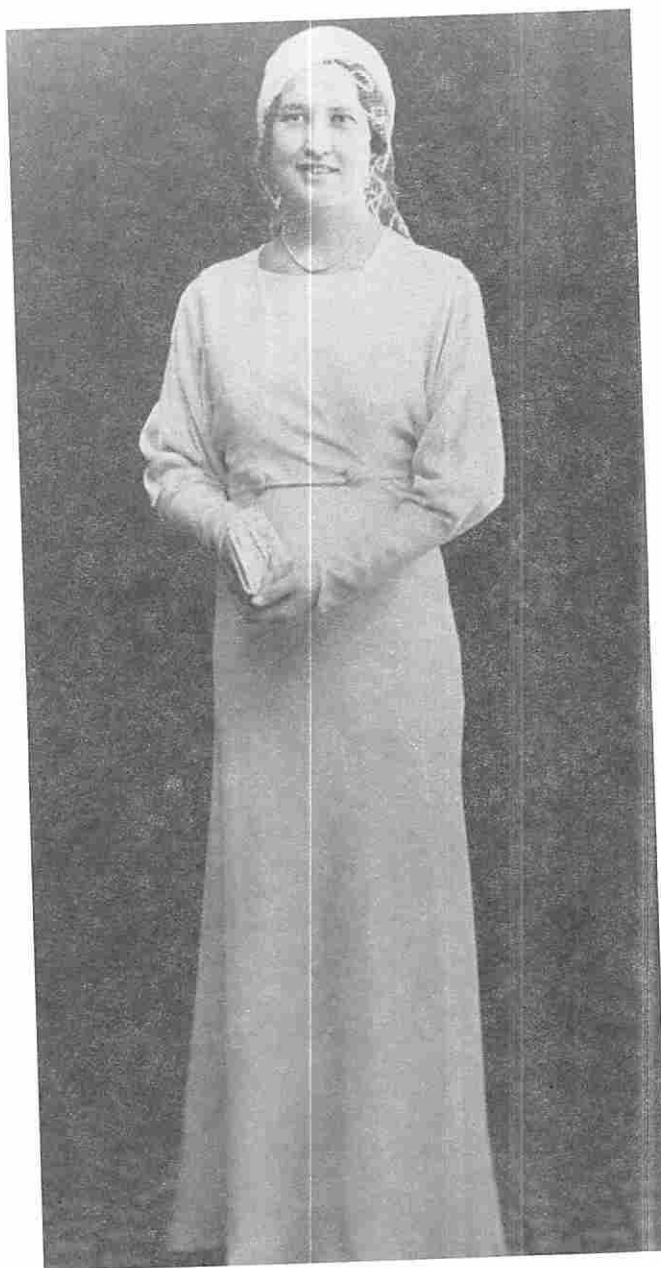

- 4 1/2 cups of sugar
- 1/2 lb. margarine
- 1 can of evaporated milk
- 2 cups mini marshmallows
- 1 (12oz.) pkg. vanilla or chocolate chips
- 2 cups chopped nuts if desired
- 1 tsp. vanilla

Mix together the sugar, margarine and milk. Bring to a boil. Cook over medium heat for 11 minutes. Stir constantly. Remove from heat. Add marshmallows, chips (vanilla or chocolate), nuts (if desired), and vanilla. Mix well and pour into 9 x 13 inch buttered pan. Refrigerate, then enjoy!

Red Cross Fudge

Submitted By Mary Rasch Alt

This is my great aunt Dorothy Rasch Glick's wedding picture. On Feb 22, 1933, she married George Glick on the island of Maui, Hawaii. I give you this one because this is the only photo Dorothy had of her wedding. The photographer died shortly after the wedding and no one could find the film he took at the wedding. This picture was taken before the wedding for the newspaper announcement, so she at least had this one. It is very special to us. She looks as sweet as the vanilla fudge she would make.
