# ST. PAUL FIRE DEPARTMENT VETERANS ASSOCIATION

## Volume I Record of Dues Paid: 1913-1929.

Transcribed by Faye E. Grant

The St. Paul Fire Department Veterans Association had minimal dues (\$1.00 per year) while providing maximum comfort and aid to widows. The Association would assist in making funeral arrangements, provide pall bearers and help families as needed.

The father of Faye E. Grant, Alfred J. Webber (23 Sept. 1910 - 27 Oct. 1991) was the Secretary-Treasurer of the St. Paul Fire Department Veterans Association. His father John William Webber (15 Sept. 1885 - 11 Sept. 1957) and his brother Donald John Webber (19 May 1929 - 5 Nov. 1995) also were firefighters.

The two volumes of members' dues (1913-1929 and 1930-1939) have been transcribed by Ms Grant with the spellings, capitals or lack of capitals, punctuation or lack thereof, as recorded in the ledgers. Volume one is presented here. Volume two will appear in the next issue of the *Genealogist*.

# ST. PAUL FIRE DEPARTMENT VETERANS ASSOCIATION VOLUME II

## Record of dues paid 1930-1939.

Transcribed by Faye E. Grant

The St. Paul Fire Department Veterans Association had minimal dues (\$1.20 per year) while providing maximum comfort and aid to widows. The Association would assist in making funeral arrangements, provide pall bearers and help families as needed.

The father of Faye E. **Grant**, Alfred J. **Webber** (23 Sept. 1910 - 27 Oct. 1991) was the Secretary-Treasurer of the St. Paul Fire Department Veterans Association. His father John William **Webber** (15 Sept. 1885 - 11 Sept. 1957) and his brother Donald John **Webber** (19 May 1929 - 5 Nov. 1995) also were firefighters.

The members' dues were recorded in two volumes: volume one for years 1913-1929 and volume two for years 1930-1939. Both these volumes have been transcribed by Ms **Grant** with the spellings, capitals or lack of capitals, punctuation or lack thereof, as recorded in the ledgers. Volume two is presented here. Volume one appeared in the Spring 2000 issue of the *Genealogist*.
