JONES CO. UPDATE 1988

We have seen two new family histories published this past year concerning families of this county. One on the Ainsworth family by Lucille D. Ainsworth; and one on the Wade family by George & Willie Mae Wade. We also copied most of the cemeteries south of Laurel this past August. I have also gone through some more of the LDS microfiche; but am not finished. If anyone has the pension record of a Union soldier or widow of our area, we would appreciate receiving a copy as soon as possible for a future publication.
