### INDEX

This index includes only names of individuals and businesses.

A name may appear more than once on a particular page.

No attempt has been made to correct any misspellings of names as they appear in the book, or to combine misspellings with correct spellings (i.e., M. Huber/ M. Hauber; W.L. Rankin/ W.L. Rankins; Jefferson Talliaferro/Jeff Tolliaferro; etc.).

Because of variant spellings and/or printers' errors the entire index should be reviewed in searching for a specific individual.
