## PREFACE

There is a great interest at this time in our American heritage and the historical records of the past.

This list of books is intended to help those interested in the history of Sussex County, New Jersey, Warren County has been included as it was part of old Sussex.

Genealogies and Church Histories have been excluded except a few which contain local history. There are also many manuscript items in our Libraries that could not be included.

The locations of books in this bibliography are given in the following libraries:

- BL—Belvidere Public Library
- CL—Sussex County Library
- DL—Dennis Library, Newton
- EL—Ellenville, N.Y. Public Library
- HS—Sussex County Historical Society
- ML—Morristown Library
- MV—Minisink Valley Historical Soc., Port Jervis
- NL—Newark Public Library
- RU—Rutgers University Library
- SH—New Jersey Historical Society, Newark
- SL—State Library, Trenton
- WC—Warren County Library, Belvidere

These locations are not complete except for the three Sussex County libraries. Some of the titles came from private libraries and a few from the catalog of the William Nelson Sale, American Art Galleries, 1915.

Although many of the books are wholly on Sussex County, some have only partial reference and are included as the only source of this information.

The listing of books and pamphlets is by authors. A separate subject index is given in the back.

The compiler wishes to thank all who have helped him, especially those on the staffs of the Libraries mentioned above.

There is a notation of paper covers, (Wrs).

The number of pages is given for small volumes (-p.)
