DELAYED BIRTH CERTIFICATES
CLEVELAND COUNTY, NC.
Part of VOL. 10

Several members of Broad River Genealogical Society worked long and hard to publish the first nine volumes of the Delayed Birth Certificates of Cleveland County in 2001. Your editor has undertaken to continue copying these very interesting genealogical resources. These certificates will appear from time to time in the bulletin.

We chose not to publish the name, date of birth, and sex of anyone who was born after 1930. This was for reasons of privacy. We did include the parents' information and proofs of birth because that information is of genealogical importance. You can find out the missing information by visiting the Register of Deeds office in Shelby. I wish to thank Bonnie Reece and her staff for their assistance with this project. We noted if certificate numbers were not used.

The code letters for the proofs of birth are as follows:

- A. Family Bible
- B. Statement of Father
- C. Statement of Mother
- D. Statement of Attending Physician or Attendant
- E. Insurance Police
- F. Marriage Record
- G. School Record
- H. Other

The column heading numbers represent the following information:

- 1. Number of Certificate
- 2. Name of Person Making Application for Delayed Birth Certificate
- 3. Birth date of Individual
- 4. Sex of Individual
- 5. Birth place of Individual
- 6. Attending Physician or Attendant
- 7. Name of Father
- 8. Race of Father
- 9. Birth date of Father
- 10. Birth place of Father
- 11. Name of Mother
- 12. Race of Mother
- 13. Birth date of Mother
- 14. Birth place of Mother
- 15. Proofs Used for Certificate

DELAYED BIRTH CERTIFICATES
CLEVELAND COUNTY, NC
Vol. 10, conclusion and the beginning of Vol 11

During 2001 several members of the Broad River Genealogical Society worked long and hard to publish the first nine volumes of the Delayed Birth Certificates of Cleveland County, NC. This editor has begun copying the very interesting genealogical resources. The first 150 certificates of volume 10 were published in ESWAU HUPPEDAY, vol XXIV, No. 3, August, 2004. This issue concludes volume 10 and starts with the first 104 certificates in volume 11.

We chose not to publish the name, date of birth, or sex of anyone who was born after 1930 for reasons of privacy. We did include the parents' information and proofs of birth because that information is of genealogical importance. You can find out the missing information by visiting the Register of Deeds office in Shelby. I wish to thank Bonnie Reece and her staff for their assistance with this project. We made note of certificate numbers which were not used.

The code letters for the proofs of birth are as follows:

- A. Family Bible
- B. Statement by Father
- C. Statement by Mother
- D. Statement of Attending Physician or Attendant
- E. Insurance Policy
- F. Marriage Record
- G. School Record

The column heading numbers represent the following information:

- 1. Number of Certificate
- 2. Name of Person Making Application for Delayed Birth Certificate
- 3. Birth Date of Individual
- 4. Sex of Individual
- 5. Birth Place of Individual
- 6. Attending Physician or Attendant
- 7. Name of Father
- 8. Race of Father
- 9. Birth Date of Father
- 10. Birth Place of Father
- 11. Name of Mother
- 12. Race of Mother
- 13. Birth Date of Mother
- 14. Birth Place of mother
- 15. Proofs Used for Certificate

DELAYED BIRTH CERTIFICATES
CLEVELAND COUNTY, NC.
Conclusion of VOL. 10

Several members of Broad River Genealogical Society worked long and hard to publish the first nine volumes of the Delayed Birth Certificates of Cleveland County in 2001. Your editor has undertaken to continue copying these very interesting genealogical resources. These certificates will appear from time to time in the bulletin.

We chose not to publish the name, date of birth, and sex of anyone who was born after 1930. This was for reasons of privacy. We did include the parents' information and proofs of birth because that information is of genealogical importance. You can find out the missing information by visiting the Register of Deeds office in Shelby. I wish to thank Bonnie Reece and her staff for their assistance with this project. We noted if certificate numbers were not used.

The code letters for the proofs of birth are as follows:

- A. Family Bible
- B. Statement of Father
- C. Statement of Mother
- D. Statement of Attending Physician or Attendant
- E. Insurance Police
- F. Marriage Record
- G. School Record
- H. Other

The column heading numbers represent the following information:

- 1. Number of Certificate
- 2. Name of Person Making Application for Delayed Birth Certificate
- 3. Birth date of Individual
- 4. Sex of Individual
- 5. Birth place of Individual
- 6. Attending Physician or Attendant
- 7. Name of Father
- 8. Race of Father
- 9. Birth date of Father
- 10. Birth place of Father
- 11. Name of Mother
- 12. Race of Mother
- 13. Birth date of Mother
- 14. Birth place of Mother
- 15. Proofs Used for Certificate

**DELAYED BIRTH CERTIFICATES
CLEVELAND COUNTY, NC**

During 2001 several members of the Broad River Genealogical Society worked long and hard to publish the first nine volumes of the Delayed Birth Certificates of Cleveland County, NC. This editor has begun copying the very interesting genealogical resources. Vol. 10 was published in ESWAU HUPPEDAY, Vol. XXIV, No. 3, and in Vol. XXV, No. 2. Volume 11 began in Vol. XXV, No. 2 and concludes in No. 3.

We chose not to publish the name, date of birth, or sex of anyone who was born after 1930 for reasons of privacy. We did include the parents' information and proofs of birth because that information is of genealogical importance. You can find out the missing information by visiting the Register of Deeds office in Shelby. I wish to thank Bonnie Reece and her staff for their assistance with this project. We made note of certificate numbers which were not used.

The code letters for the proofs of birth are as follows:

- A. Family Bible
- B. Statement by Father
- C. Statement by Mother
- D. Statement of Attending Physician or Attendant
- E. Insurance Policy
- F. Marriage Record
- G. School Record

The column heading numbers represent the following information:

- 1. Number of Certificate
- 2. Name of Person Making Application for Delayed Birth Certificate
- 3. Birth Date of Individual
- 4. Sex of Individual
- 5. Birth Place of Individual
- 6. Attending Physician or Attendant
- 7. Name of Father
- 8. Race of Father
- 9. Birth Date of Father
- 10. Birth Place of Father
- 11. Name of Mother
- 12. Race of Mother
- 13. Birth Date of Mother
- 14. Birth Place of mother
- 15. Proofs Used for Certificate

1.6*Artifacts Found in the Cleveland County Museum*

As a volunteer at the Historical Museum, I have found some very interesting artifacts. The one I want to tell you about is a book without covers or a name of who it belonged to on the book. It has blank pages with dates and sometimes notes about when terms of Superior Court would start in different counties of NC. I suspect it belonged to a lawyer because of all the court references. For example on the first page, one dated Sunday, June 8; 159th day, at the bottom it reads: "Trust companies should not encroach on the work of attorneys'-a Wachovia rule of long standing." Written on several of the pages are notes of people's birth and death dates and some family relationships. I have transcribed this information below:

John R. Dixon	B: 7 Nov 1852	D: 27 Dec 1895
Fannie E. Cline	B: 16 Jul 1858	D: 5 Jul 1931
Wife of J.R. Dixon		

Ambros C. Dixon	22 Jul 1893	18 Dec 1920
Kate C. Dixon	23 Jun 1888	6 Jun 1928

The only other marks in the book were some crayon marks near the last existing page which was 13 Oct, Monday; 286th day. I copied this information while taking a break at the latest work day. There are so many things I would like to copy. I found a book belonging to John R. Logan. It was:

Wheeler, John H. Historical Sketches of North Carolina from 1584-1851,
vol.1. Philadelphia: Lippincott, Grambo and Co., 1851.

Inside the front cover, J. R. Logan had written:

“If on this book you chance to look,
And think it to be lost,
Restore it to me for I am he
That knows best what it cost.

J.R. Logan

Write no more on this book.”

This book had a very interesting chapter on Cleveland County. I would love to have a copy of it. If only the storage facility had a copy machine, I would be in ‘Researcher Heaven!’ JFS
