**LAND PATENTS SITE
UP AND RUNNING!**

Several months after a federal court order shut down all U.S. Department of Interior Web sites, one of the most popular ones for genealogists is back online. The Official Federal Land Patent Records site at <http://www.glorecords.blm.gov> is once again available for searching 2 million land title records from 1820 to 1908. Frequent users may notice a new look and improved features, including faster page loads, simpler navigation, streamlined searches, more data fields and a printer friendly results page.

(From Westward Into Nebraska, Vol. 26, No. 8 (2002) page 47.)

**THE FIVE STAGES OF
GENEALOGY:**

1. Denial: "I'm NOT related to you."
2. Anger: "I'm related to YOU?"
3. Bargaining: "Okay, I'm related to you... but only by marriage."
4. Depression: "You mean I am related to you?"
5. Acceptance: "I guess I am related to you."

had an old gun laying on ice after firing his had...out. I stooped over to pick it up and set mine down. It went off, shooting me in jaw. (Split my jaw-bone. Took out 3 teeth. A lot of bone splinters in gum and tongue. Bone a long time washing out.) I turned around to head back to boys. Said "Who shot?" I thought a shotgun had shot and graised my cheek. A numbness feeling. Didn't know I was shot until went to bleeding and then knew shot in mouth. I walked home about 1 and 1/2 miles. Got home rather weak as I lost quite a bit of blood. Layed on bed where they found stump of a bullet and thought it was it. I had picked it up on ice. Two men left for transportation. Boy stayed with me. Neighbors took me to hospital since people I lived with was practically an invalid for many years from bad lungs. Had been run over by cannon in war and this was after effect. Hospital probed for bullet but didn't find any. I guess no x-rays then. Face numb one side. After numbness left I located bump of bullet between temple and ear." (End of page 4 and note on that experience.) Roger says that his Grandpa Arleigh Claren Hubert carried that bump his whole life. As a child, Roger

would feel that bullet under his temple and listen to him retell that event. Roger says it was a .22 short from a .22 Remington his Grandpa had

"bought new for \$7.00" and figures the only hospital must have been in Bismarck where his real dad, John Ludvig Hubert, was deputy sheriff.

Pomeranians in Berlin
 An article in *German Genealogical Digest* (Winter 1997, p 114ff) lists persons mentioned in Berlin church and cemetery records who are identified as coming from Pomerania. The list begins with January 1769 and demonstrates the great detail that is included in such records. Many persons from eastern Pomerania came under Prussian rule and were free to move to Berlin for military or business reasons.

Your Publications Committee is in need of the following: Computer Data Entry: Computer with database program needed. Pat and Glen have completed copying the Rural Burleigh County School Census records and have a large backlog of data entry. Contact Pat/Glen Herdebu at 223-8362 or Don Smith at 223-6273. Copying, collating, proof-reading and those other tasks that help prepare a publication.

Also needed are members with 15-30 minutes a month to call members to remind them of meetings and other upcoming events. Contact Sandy Denis at 223-3934 if you can spare a few minutes for this worthwhile purpose.

Have you ever heard of a church built entirely of salt? One really exists in Wieliczka Kopalnia, Europe's oldest operating salt mine, about 8 miles southeast of Krakow, Poland. The Blessed King's Chapel was built by scooping out 22,000 tons of salt from one area of the vast salt mine. It was started in 1895 as a place for miners to say their morning prayers. Even the beautifully chandeliers are carved from salt. The mine has operated for almost 800 years and includes over 120 miles of passageways reaching down more than 1,000 feet. Visitors may take tours with English speaking guides to inspect some of its spectacular chandeliers, statues, tennis and basketball courts, an opera hall, and a factory where Jewish prisoners built airplane engines during World War II. There is also a sanitorium where person with bronchial and allergic

The Swenson Swedish Immigration Research Center is "the" place in America to go for Swedish immigrant to North America records and research assistance. They offer a large library and outreach research services, all with the goal of helping you find your Swedish immigrant ancestor and his home village. A new program they've launched is a Swedish language summer school held in Grebbestad in Sweden. Those who attend this summer program will gain proficiency in speaking Swedish, will learn about Swedish history and genealogy, and will get to play tourist. For more information about his Center, try this link: <http://www.augustana.edu/administration/SWENSON/>

Words to Taps

BURLEIGH COUNTY NATURALIZATION RECORDS INDEX

(Continued from last newsletter)

(Note: There are no "official" words to Taps. Below are the most popular.)

Day is done, gone
the sun,
From the hills,
from the lake,
From the skies,
All is well, safely
rest,
God is nigh.

Go to sleep, peace-
ful sleep,
May the soldier or
sailor,
God keep.
On the land or the
deep,
Safe in sleep.

Love, good night,
Must thou go,
When the day, And
the night
Need thee so?
All is well.
Speedeth all
To their rest.

Fades the light;
and Afar
Goeth day, And the
stars
Shineth bright,
Fare thee well; Day
has gone,
Night is on.

Thanks and praise,
For our days,
'Neath the sun,
'Neath the stars,
'Neath the sky,
As we go, This we
know,
God is nigh.

**Keeping Up
with the
Jones's**

-BKenn156@

*A while back I
was looking at
someone's rec-
ords and came
across the
weirdest name
I've ever seen:
Fnu. As in Fnu
Jones. Who on
earth would
name their child
Fnu? And there
were several
generations of
them in the
same record!
Perpetrating
this name on
generations of
newborns...
what a horrid
thing to do! It
wasn't until I
found someone
named Fnu
Mnu Jones that
I understood.
Duh! First
Name Un-
known.
(Slapping my-
self up side the
head!)
