We regret to learn that Mrs MARSH wife of the esteemed President of Mt. Union College is seriously in fact dangerously ill with erysipelas attacking the neck and face. During her brief residence in Alliance, Mrs MARSH has endeared herself to all with whom she has come in contact, and our community will unitedly hope for her speedy and complete recovery.

DENY RESPONSIBILITY

The crew of the out-going Stark Electric car, which struck J. H. Sheridan 1213 Wabash avenue, Thursday evening at the Maple avenue crossing, deny responsibility for the accident. Motorman Carl W. Summers and Conductor H. H. Spade, both of Alliance, believe that Mr. Sheridan was confused by the approach of a W. & L. E. train and did not observe the car before it struck him. He sustained injury to the left knee and a wrist. — Canton News Democrat.

The crew of the out-going Stark Electric car, which struck J. H. SHERIDAN Thurs. evening deny responsibility for the accident.

Buildings razed at former Fairmount Home

Demolition work is under way at the old Fairmount Children's Home on State Route 183, but not on the main orphanage building. This building, a dormitory built 120 years ago, is being torn down by James Maendel, former owner of the property. Another building was already leveled, and the home's one-time private hospital is set for demolition. Maendel said he has sold his business, Fairmount Greenhouse, to a Cleveland grower who intends to keep the business open.

MORE OF ALLIANCE HISTORY LEVELED

MORE CHILDREN FOUND COMFORT, EDUCATION, AND MORE AT THIS HOME

EVERY WEEK ANOTHER BUILDING OF ALLIANCE HISTORY DISAPPEARS

from "History of Stark County" THE FAIRMOUNT CHILDREN'S HOME, two miles south of Alliance in Washington Township, is a splendid institution through which Stark County has not hidden her good light under a bushel. Since it was opened in 1877, more than three thousand needy children under 16 yrs of age, have been given homes and affectionate care, starting them on the right road to intelligent usefulness.

Many of the children housed there have told of their good life there. Headlines in Alliance Review - EX-ORPHANS FONDLY RECALL DAYS AT FAIRMOUNT HOME - - RAISED IN FAIRMOUNT HER GOAL WAS TO PLEASE -- M. LLOYD R. MC CORD , Boynton Beach, Fl. wrote to TAGS saying he and his older brother LEONARD were there about 1929 and would like some information. He was sent newspaper copies from Rodman Library, Alliance.

**HAVE YOU TRIED
CITY DIRECTORIES?**

A frequently forgotten primary source is the city directory. A city directory is NOT always the same as the telephone directory. The telephone directory only includes those households or individuals with a telephone - a convenience which did not exist before the early 1900s. The city directory listed residents, their name, home address, business, occupation, spouse, children living at home, and childrens' occupations. The directory collection at LCGS includes phone directories from several Ohio cities (and a few major cities out of state) and Newark City directories as early as 1858. They are worth a try!!!

Accounts transferred to BOOK B PAGE 246

The above names were copied from the The ODD FELLOWS LODGE #266 BOOK A which dated from JAN. 1867 to OCT. 1883. This was the TREASURER'S BOOK. There is also a BOOK B but at this time it is lost. The LODGE held a sale at The Sleepy Hollow Golf Course where they had been holding their meetings. Books, dishes, etc. and the ritual paraphernalia (chairs, chests, tables) were auctioned off. At this time I was offered the old Treasurer's Book A. I was very happy to accept it those many years ago. My maternal grandparents, George S. and Daisy Evelyn Dartt Lane had joined the Lodge after moving to Alliance in 1904 from Meigs Co. Oh. They were faithful members. I accompanied them many, many times to the meetings when I was small. There were family dinners, dances, children's programs, a pool room for the men, children's sing-a-longs etc. No alcohol was permitted nor was foul language heard. It was like a large extended family. It was a happy place. The old Lodge building is still on Main St. just east of First Christian Church. Courtesy of M. Armstrong

Mary I. Wilhelm, Clerk

Alliance, Ohio

Gentlemen: This is your approval for change of names and new names of certain roads in Lexington Township, schedule of which is herewith enclosed. You can proceed at once to make the changes and put up the new road signs under this authority.

Under the Law, it is the duty of the County Engineer to name and number all roads in the County. Therefore, this should be sufficient authority for you to proceed. However, I suggest that you pass a resolution so there will be a record of said changes in the minutes of the Township Trustees.

Please notify this Office of the date you pass this resolution, so that we can change the road names on our County maps.

Respectfully submitted,

WS:ss
