**JOHN COCHRAN(E), FREMONT, SANDUSKY COUNTY, OHIO**  
by Kay Ballantyne Hudson, OCWGJ Editorial Staff

My great uncle, John C. **COCHRAN(E)** was born in probably in Perry County Ohio 14 Nov 1825.<sup>1</sup> He was 5 feet 6 inches tall with dark complexion, blue eyes and dark hair. In the mid 1830's, the family moved to Ballville Township, Sandusky County. There John enjoyed farm life, inheriting 40 acres in his father's 1856 will.<sup>2</sup>

In October of 1861, John enlisted in Company K, Ohio 67 Ohio Infantry, mustering in at Camp Chase, Columbus, Ohio. He was a sergeant at enlistment and a 1<sup>st</sup> lieutenant at the time of his death.<sup>1</sup> On May 20, 1864 John was wounded while the company was in action near Ware Bottom Church. He was taken to Chesapeake Hospital where he died on May 29.<sup>3</sup>

The battle at Ware Bottom Church, located in Chesterfield County VA, occurred during the Bermuda Hundred Campaign of May-June 1864. The Commanders were Maj. Gen. Benjamin **BUTLER** for the North and Gen. P. G. T. **BEAUREGARD** for the South. Estimated casualties were 1,500. On the day John died, Confederate forces attacked the Bermuda Hundred line. About 10,000 troops were involved. Confederate victories at Proctor's Creek and Ware

## THE SOLDIERS' AND SAILORS' MEMORIAL CHAPEL

Soon after the close of the Civil War, a number of citizens of Marion, Ohio, formed a Soldiers' and Sailors' Monumental Association, the object being to raise funds for the erection of a suitable monument to perpetuate the memory of the brave men, who, in the hour of our country's danger, braved the hardships and dangers of the soldier in camp and in battle and on the march, for the protection of our homes, our country and the flag they loved so well.

After many discouragements and finding that sufficient funds could not be raised, other means to erect a monument worthy of the cause were adopted and it was decided to resort to taxation. A bill was introduced into the Legislature and quickly passed, authorizing the Commissioners of Marion County, Ohio, to levy a tax of one mill on the dollar on the valuation of said County. This, together with the small amount which had been collected from time to time, furnished ample means to build the monument. The Monumental Association, to whom the matter of selection of design, erection and site was confined by the law, unanimously decided to build a Chapel and to erect it on a plat of ground donated by the Marion Cemetery Association, within said Cemetery, and known as Memorial Place. Plans were presented and the one by W.C. Whitehead, of Indianapolis, was chosen and the contract given to him, to cost the sum of \$13,760. With other expenses for walks, extra foundations, etc., the total cost was \$14,939.75. In addition to this the Marion Cemetery Association donated in ground and improvements the sum of \$2,634.50. The Chapel is built with stone, iron and slate, and the doors are of native oak. The stone used was Bedford (Indiana) stone, trimmed with Syracuse brown stone. The columns are of Red Beach granite; statues of Bedford stone and were cut by Mr. Carabelli of Cleveland; floor of Georgia marble; roof of best sawed slate; tablets of Italian marble lining the interior from base to windows. On these tablets are inscribed the names of more than 2800 men, being all who went to war from Marion County, together with all soldiers who were residents of the County when the tax was levied, without regard to residence at time of enlistment. Besides these are the names of the soldiers of the Revolution and of War of 1812 who had been residents of the County. The windows are of cathedral glass in beautiful designs, and the whole structure is a complete monument, dedicated to the memory of the defenders of the Republic and an honor to Marion County for thus remembering her soldiers.

This fine Memorial Chapel was dedicated Wednesday, August 22nd, 1888, in the presence of an immense audience, composed largely of soldiers and their families. The Address of Dedication was delivered by Ohio's matchless orator, Gen. Wm. H. Gibson. This Chapel is in the perpetual care of the Marion Cemetery Association, which is pledged to ever keep it in repair.

The above is reprinted from The Marion Cemetery Association publication HISTORICAL SKETCH 1892 by permission of Jim Riedl, Superintendent of Marion Cemetery Association.

SOLDIERS' AND SAILORS' MEMORIAL CHAPEL

MARION CEMETERY

MARION, OHIO

Every effort has been made to copy names as they are carved on the marble tablets. The letters C and G are especially hard to decipher.

You will find the first part of this book has all the soldiers names in alphabetical order with the number of the tablet, or column, they appear on following their name. The last part of the book lists the veterans name and the unit they served in as it appears on the sixty columns.

The columns are numbered, starting with #1 as the first tablet on the left as you enter the south doors. They are then numbered consecutively around. The south walls have eight columns above, which lists veterans of wars prior to the Civil War. These are designated with a T following the column number.

Shulmerick Carillon bells have been installed in the cemetery and will be dedicated Memorial Day 1981 as a tribute to all Marion County Veterans of all wars.

A plaque will read "A grateful tribute to the men and women of Marion county who have contributed through military service to the defense and well-being of our nation."
