**FROM THESE HILLS: An American Family's Odyssey  
Michael Moore**

Growing up in Portsmouth, Ohio, Mike Moore never knew his parents and lived for 60 years with a distorted view of his family that was blown apart when his wife Sue made a chance entry on the Internet and then later when they met up with a statue in Ireland.

After retiring from Bowling Green State University, Mike and Sue traveled the breadth of the U.S. searching for the truth – from the ruins of the famed Hanging Rock Iron Region where the Yates and Perry families once lived to “Moore country” in the Kentucky and Virginia mountains. From there they journeyed to a potter’s grave in Los Angeles and then back to the Ohio River Valley where it all began. Along the way, they made close friends and discovered relatives whose warmth and acceptance made Mike part of a larger family he had never known.

In tracing that family’s will for over 200 years to endure, the author discovered his place and the meaning of kinship in that odyssey.

**Lineage Workshop**

SCCOGS members are invited to a Lineage Workshop sponsored by the Joseph Spencer Chapter, Daughters of the American Revolution. It will immediately follow the Chapter's business meeting, Oct. 18, 2003, in the Meeting Room of the Portsmouth Public Library. The workshop will begin at 11:30 a.m. There will be a nominal fee to cover copying costs. For further information or reservations, please contact Pat Russell, Regent, Joseph Spencer Chapter, by phone: 740-354-1836 or email: [pat.russell@verizon.net](mailto:pat.russell@verizon.net)

**Book Donated to SCCOGS**

SCCOGS has received "Making Waves in the Gene Pool" as a donation from Mrs. Carol Vogler Bright from Cape Cod, Mass. "In addition to featuring stories of Cleveland/Parma residents, the book is of interest to those with German Heritage and those exploring family history." The book is very interesting and contains translated letters from East Germany from 1945-55. "You will experience the difficult survival of five families located largely in the heavily bombed out Leipzig/Dresden area." It is very touching and has a good bit of genealogy in it. We would like to thank Mrs. Bright for her donation! The book has been added to the holdings of SCCOGS

This photo that has a notation on the back "Miss Moore's 6th Grade Class". I am guessing that it may be of a group of students in the Valley School District (Lucasville). I would guess from the dress that it was taken in the early 1930s. I am hoping that someone will be able to identify persons in this photo.

The following articles were submitted by fellow researcher Mrs. Eleanor Evans Borkenhagen who writes:

Dear Genealogists:

Knowing what a valuable tool obituaries can be for genealogists, I have been clipping obituaries from the Los Angeles Times and the Orange County Register. As I clip them, I sort them by counties and send them to the genealogical society that has a connection with the person in the obituaries. I am enclosing the ones I have collected for your county and I hope these will be of some use to your members. I am more than happy to continue sending them to you, if you would like to receive more.

Very Truly Yours,

Mrs. Eleanor Evans Borkenhagen, 623 13<sup>th</sup> Street, Huntington Beach CA 92648-4039
