FINNEY PRESBYTERIAN CEMETARY

On the Lester Farm, which is on the road from Peacedale to New London, Penna. This road has no number, but cuts across from State Route #472 to State Route #896. It is very difficult to find, as you have to go through a field behind the St. John bungalow and up to the woods at the top of the hill. It is about half way through the woods, and is surrounded by a low stone wall. The names were copied from the stones in September 1955, by Margaret (Miller) Murray, 1819 North Western Avenue, Los Angeles, California 90027. A member of Milly Barrett Chapter, D. A. R.
