ORANGE COUNTY CALIFORNIA
GENEALOGICAL SOCIETY

VARIOUS DEATH RECORDS, con't.

The club holds many of the church records for the Oil City area and in abstracting material from them, it was noticed that many of the deaths found were not recorded in the county records. The newsletter will include a page from these records in each issue. These may be extremely valuable to a researcher as they may not be found anywhere else. Some records contain more information and if you find a missing ancestor, please write the club and a complete entry will be sent to you. Please remember to include a self-address & stamped envelope with your request.
