MONTGOMERY COUNTY TEXAS
MARRIAGES 1838 - 1894
Revised Edition

Montgomery County is one of the oldest counties in Texas. It was formed from Washington County in 1836 by an act of the First Congress of the Republic of Texas. The records of this county have been kept in beautiful condition by the county government and its citizens through the years.

The county clerk's office is not staffed to do personal research. However, they will copy marriage records for a reasonable fee, if the date of the marriage, book and page number is given.

In some instances the county clerks used a great deal of imagination in transferring the information from the original document to Marriage Books from which these records were originally abstracted. The information is shown as it appears on the Marriage Record Books and as it appears on the Xeroxed copy of the original marriage document.

There were a number of marriage records found in the "Black Boxes" which are not included in this Marriage Book Index because they were not on the indices at the Montgomery County, Texas Courthouse. These records were never entered in the county books. These have been published and may be purchased from the Society. Montgomery County Marriages - Black Boxes 1838-1872, 49 pages. \$9.00 PP

This Index will be listed in future issues until all have been published in The Herald, 8 pages each issue. If a researcher wishes to check for names which may appear in future issues, the office staff, MCG&HS, Inc., P. O. Box 867, Conroe TX 77305-0867, will be happy to check for you. Please include a SASE for reply. Or you may purchase this book for \$15.00 PP. The page number given by each name is the page number of the Marriage Book published by the Society, not a number or book of the County Clerk's office.

MONTGOMERY COUNTY TEXAS
MARRIAGES 1838 - 1894
Revised Edition

Montgomery County is one of the oldest counties in Texas. It was formed from Washington County in 1836 by an act of the First Congress of the Republic of Texas. The records of this county have been kept in beautiful condition by the county government and its citizens through the years.

The county clerk's office is not staffed to do personal research. However, they will copy marriage records for a reasonable fee, if the date of the marriage, book and page number is given.

In some instances the county clerks used a great deal of imagination in transferring the information from the original document to Marriage Books from which these records were originally abstracted. The information is shown as it appears on the Marriage Record Books and as it appears on the Xeroxed copy of the original marriage document.

There were a number of marriage records found in the "Black Boxes" which are not included in this Marriage Book Index because they were not on the indices at the Montgomery County, Texas Courthouse. These records were never entered in the county books. These have been published and may be purchased from the Society. Montgomery County Marriages - Black Boxes 1838-1872, 49 pages. \$9.00 PP

This Index will be listed in future issues until all have been published in The Herald, 8 pages each issue. If a researcher wishes to check for names which may appear in future issues, the office staff, MCG&HS, Inc., P. O. Box 867, Conroe TX 77305-0867, will be happy to check for you. Please include a SASE for reply. Or you may purchase this book for \$15.00 PP. The page number given by each name is the page number of the Marriage Book published by the Society, not a number or book of the County Clerk's office.

MONTGOMERY COUNTY TEXAS CEMETERIES

Abstracted and submitted by Vera Meek Wimberly

Montgomery County Genealogical & Historical Society, Inc. has published six volumes of Cemetery Records. This was a direct result of the work that Oveta & Hoorace Wright, members, did in surveying all the cemeteries in Montgomery County, Texas in 1978. JoAnn Wright Freeman and her committee prepared these cemeteries for publication. To make these records more accessible to our members and Montgomery County, Texas researchers, it has been decided to list the cemeteries along with the names of persons buried there, but without dates. If you find a name you would like more information on, you may either buy the Volume at \$12.00 PP, or if you wish a copy of a page, for a SASE & \$2.00 per page, we will be happy to send these copies to you. Page numbers are listed are the page numbers of the volume.

1890 CENSUS ENUMERATION
MONTGOMERY COUNTY, TEXAS

Presented by Barbara Franz.

Abstracted by Vera Meek Wimberly.

The 1890 Enumeration is the eleventh decennial census. Census day was 1 Jun 1890. Various fires have destroyed nearly all 1890 schedules. Population schedules survive for only 6,160 persons, all indexed. The lists for Union veterans or their widows survive for part of Kentucky and all states alphabetically from Louisiana to Wyoming, Washington DC, the Indian Territory, and some military installations. The following are the only Montgomery County, Texas 1890 census to survive:

Special Schedule, Surviving Soldiers, Sailors, and Marines, and Widows, Etc. Persons who served in the Army, Navy, and Marine Corps of the United States during the war of the rebellion (who are survivors), and widows of such persons in:
